Rules for using facts

• Do not convert the 24-participant usability test into a claim about all customers.

• Do not state or imply 100% uptime.

• Price claims must include the billing basis: per user, per month, billed monthly.

• Facts must be reapproved after their valid-until date.

Test cases this document supports

• A draft claiming '100% uptime guaranteed' should be flagged.

• A draft claiming 'Aurora Desk costs $12 per user per month when billed monthly' is supported while FACT-002 is current.

• A draft claiming 'all customers finish onboarding in under 10 minutes' overgeneralizes FACT-003.

• A draft stating the company has 180 employees conflicts with FACT-005.
